SPECIAL GUEST SPEAKER - Esther Davidson

Esther was born in Poland in 1941, at a time when Jews were being concentrated into ghettos throughout occupied Poland. In order to keep her safe, Esther's parents turned the care of their daughter over to an elderly Polish woman before fleeing the country. Esther's parents were able to successfully evade the Nazis and returned to their daughter after the end of the war. The family then spent three and a half years in a Red Cross sponsored displaced persons camp in Germany before immigrating to the United States. While in the DP camp, Esther's mother learned that her parents, all ten of her siblings, and her siblings' spouses and children were killed during the Holocaust.

Event is free and open to the public.
